Once we have established your goals, we will investigate and assess a range of options from our extensive lender panel. Ultimately, our primary aim is to provide you with the finance which we believe is in your best interests.

SERVICES WE PROVIDE

We are authorised to arrange loans under the *National Consumer Credit Protection Act 2009* (National Credit Act). The National Credit Act regulates the activity of lending, leasing and finance broking.

In situations where you require other services or products that we are not directly authorised to provide, we may also be able to assist you by introducing you with other individuals or organisations that are positioned to offer the complementary products or services relevant to your needs.

OUR RESPONSIBLE LENDING OBLIGATIONS

Under the National Credit Act, we are obliged to ensure that any loan or principal increase to a loan we enter with you is suitable to your needs and objectives. To decide this, we will need to ask you some questions in order to assess whether the loan meets these requirements. The law requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation; and
- take reasonable steps to verify that financial situation.

Credit will be unsuitable if at the time of the assessment, it is likely that at the time the credit is provided:

- you could not pay or could only pay with substantial hardship; or
- the credit will not meet your requirements and objectives.

For example, if you can only repay by selling your principal place of residence, it is presumed that the loan will cause substantial hardship unless the contrary is proved.

In order for us to meet our obligations in providing credit assistance activities, it is important that we have all available, accurate, current and relevant information. If you are unable to provide all the information required to assess your personal and financial circumstances, we may not be in a position to make a recommendation to you. Additionally, if you supply us with incomplete or incorrect information that we rely on in making an assessment, we will be unable to make an appropriate assessment, and you may be in breach of your legal obligations to the lender.

If we provide you with credit assistance, you may request a copy of our Preliminary Credit Assessment any time up to 7 years and we must provide you with a copy of the assessment within the following timeframes:

YOUR REQUEST IS MADE	WE WILL GIVE YOU YOUR ASSESSMENT
Before the Credit Assistance Quote Date*	As soon as possible after we receive your request
Up to 2 years after the Credit Assistance Quote Date	Within 7 business days after we receive your request
Between 2 to 7 years after the Credit Assistance Quote Date	Within 21 business days after we receive your request

*The Credit Assistance Quote Date is the date the credit contract (i.e. the loan) is settled or the loan amount is increased.

If we arrange a loan for you to purchase or refinance real estate, you must make your own enquiries about the value of the real estate and its potential for future growth. Although we may obtain a valuation, that is for our own use, and you should not rely on it.

ACTING IN YOUR BEST INTERESTS

When providing credit assistance, we are obliged to act in your best interests. This means that any products we recommend to you must be in your best interests, and the reasons for these recommendations will be documented, recorded, explained and provided to you. In order to ensure your best interests have been met, we will assess what product/s and what credit assistance will be in your best interests.

This recommendation will include information about why this is in your best interests and how it is aligned to your needs and objectives.

In the case of actual, potential, or perceived conflicts of interest, we will disclose these to you and prioritise your interests ahead of our own in all circumstances. This includes giving priority to your interests in situations where we know, or ought to reasonably know there is a conflict between the interests of you and the interest of ourselves or a third party.

FEES PAYABLE BY YOU TO US OR THE LICENSEE

If a fee is payable by you, this will be disclosed in a Credit Quote. The Credit Quote will outline any fees payable for providing credit assistance and the time that they are payable. If you do not receive a Credit Quote, this will indicate that no fees are payable.

FEES PAYABLE BY YOU TO THIRD PARTIES

When the loan application is submitted to the lender of your choice, you may need to pay the lender's application fee, valuation fees, or other fees that are associated with the loan application process, even if the loan is ultimately unsuccessful. These fees will be detailed in a Credit Proposal Disclosure that we will provide to you once we have collaboratively decided on a loan product.

FEES PAYABLE BY US OR THE LICENSEE TO THIRD PARTIES

We may pay fees to call centre companies, real estate agents, accountants, or lawyers and others for referring you to us. These referral fees are generally small amounts in accordance with usual business practice. These are not fees payable by you. On request you can obtain a reasonable estimate of the amount of the fee and how it is worked out. From time to time, we may also remunerate other parties through payments, rewards or benefits.

If your Broker is a Credit Representative of the Licensee they may also remunerate third parties in a similar manner.

PAYMENTS RECEIVED BY US OR THE LICENSEE

We, and our Licensee or aggregator Mortgage Specialists Pty Ltd (Specialist Finance Group), may receive fees, commissions, or financial rewards from lenders in connection with any finance we arrange for you. These fees are not payable by you.

The commission amount is based on the financed amount and can differ from product to product. On request, we can provide you with a reasonable estimate of these commissions and explain how they are calculated prior to submitting your loan. Specific details of any commission to be received will be included in the Credit Proposal Disclosure that we will provide you with when credit assistance is provided.

Commissions are paid based on a percentage of the loan balance that is drawn down. This percentage is generally calculated net of any amounts you hold in an offset account. The way commissions are calculated and paid to us by lenders may vary. The percentage or value of commission will not influence our decision in the product selection process, as we must, by law, ensure that the loan we recommend is not only suitable for your situation and objectives, but also in your best interest.

If your Broker is a Credit Representative of the Licensee they may receive a whole or part of the commissions received by the Licensee referred to above. This may be paid to us, directly or indirectly, from the Licensee.

From time to time, your Broker may also receive a non-commission benefit by way of training, professional development, entertainment, gift, conference attendance, sponsorship, or entry into a competition run by a lender or my aggregator. This type of benefit is not payable by you. The nature of such arrangements are temporary, and the occurrence and amounts are often not readily ascertainable. However, if they are apparent as a result of assisting you with credit assistance, this will be disclosed to you.

OWNERSHIP STRUCTURES

While offering you credit assistance, we may refer you to other businesses such as accountancy practices, financial planning practices, settlement agencies, real estate agencies, etc. If you accept those referrals, we may receive a direct or indirect remuneration or benefit. This remuneration or benefit may be the result of us having roles or relationships in those businesses (and their related entities) such as directorships, shareholder status or other beneficiary relationships. This will be disclosed to you at the time of the referral and there is no obligation to accept the services offered by the other business.

If this potential conflict of interest prevents us from acting in your best interest for the purpose of credit assistance, we will avoid making a referral.

REPAYMENT DIFFICULTIES

There may be situations where interest rates increase or you may experience changes to your financial situation that were not reasonable, foreseeable or anticipated. If you enter a situation where the repayments are becoming challenging, talk to us as we may be able to negotiate rate reductions through our network of contacts with the lenders.

However, if a rate reduction is not successful and you are struggling to meet the repayments, lenders have hardship teams ready to help clients in tough times. You should call your lender to discuss your options with regards to hardship variations.

Options that may be available are:

- changing the term of your loan (extending the loan term);
- arranging a temporarily pause in your repayments; or
- arranging a temporarily reduction in your repayments.

* Extending the loan term will result in additional interest being payable on the loan for that period, and this needs to be considered in your decision.

The hardship officer at each lender must consider your situation and you will need to explain why you are having difficulties making payments, how long you think your financial problems will continue and how much you can afford to repay.

Your lender must write to you within 21 calendar days to let you know the outcome of your hardship request. If they ask you for more information, they must respond within 21 calendar days from when you provide it.

WHERE TO FIND HELP MANAGING DEBTS

Other options are also available if you are ever experiencing financial difficulty. We recommend contacting a financial counsellor who can help you make a plan to financial recovery.

As an example, they may be able to assist you in talking to your utility providers' hardship teams about paying electricity, gas, phone or water bills in instalments. This may provide a buffer to help you meet your loan repayments.

If you are experiencing difficulties in managing your debt, the following financial counselling services are available to you, at no cost at the contact details below:
